# COMMUNITY NEUROLOGICAL SECTOR CONFERENCE 2023

Feeling *right* at home –  
Clinical and Community Collaboration

Friday 21 July 2023  
University Club of Western Australia

# Welcome Invitation

The Neurological Council of WA warmly invites you to partner with us in presenting the inaugural Community Neurological Sector Conference 2023 (CNSC 2023). CNSC 2023 will be held on 21 July 2023, via a hybrid delivery model. The event will be host to 200 delegates at the University Club of Western Australia, and an unlimited number online - available both live and on-demand, ensuring accessible learning and engagement opportunities for delegates regardless of location or circumstances.

CNSC 2023 offers a range of participation, sponsorship and exhibition opportunities. As a sponsor, you will have the opportunity to:

- build and improve relationships with the Western Australian and broader neurological community including professionals from charitable, government and industry organisations, academics, policy makers and funders;
- Contribute to awareness raising and knowledge exchange by sharing your initiatives, innovations and products;
- Align your brand with the conference theme: **Feeling Right at Home – Clinical and Community Neurological Collaboration;**
- Enhance your credibility and corporate social responsibility by providing support to the neurological sector at this critical time.

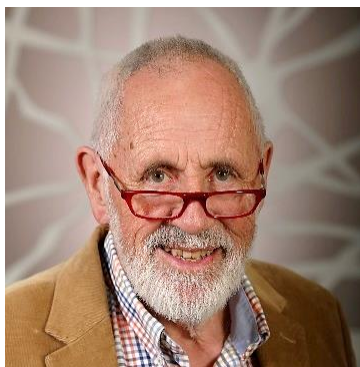

Neurological conditions are now the leading cause of disability and second leading cause of death worldwide, placing significant burden on health, disability and aged care systems.

In response, the World Health Organisation has declared neurological disorders a global epidemic and has committed to implementing the WHO 2022-2031 Intersectoral Global Action Plan on Epilepsy and other Neurological Disorders, which includes global targets, strategies, and measures of success.

We now have a detailed blueprint that makes clear that none of us can reduce the incidence and impact of neurological conditions alone – we must work together, sharing our ideas, information and resources, to achieve transformational and sustainable change.

Your support is key to the success of our conference, and we encourage you to consider the valuable opportunities offered in this prospectus. If the packages do not align with your organisation's specific strategic or marketing objectives, please feel welcome to speak with us to tailor a package.

We thank you for your interest and look forward to your support.

**Professor Charles Watson**  
Chairman

**Etta Palumbo**  
Chief Executive Officer

*“As convenors of CNSC 2023 and a neurological health peak, the Neurological Council aims to help prioritise neurological conditions on the public health agenda and provide a platform to harness the collective efforts of the government and non-government sectors. We need significantly more strategic and direct investment in neurological health services to reduce death, disability and suffering, and to bring about positive change for those living with neurological conditions right now, and for the future of brain health”. Etta Palumbo*

# General Information

## Who are we?

The Neurological Council of WA is a not-for-profit organisation that improves the lives, health and wellbeing of people impacted by neurological conditions by reducing the impact of brain and central nervous system disorders.

The Neurological Council delivers **Neurocare WA**, an essential, state-wide community neurological nursing and health system navigation service for people of all ages, living with any neurological diagnosis, condition, or neurological symptoms (funded by WA Department of Health or NDIS for eligible participants).

Providing leadership as the health peak for the Western Australian neurological community for over 30 years, the Neurological Council of WA was established in 1992 by its network of not-for-profit neurological member organisations. It is a head tenant and co-manager of the Niche, an accessible 'Lotteries House' community facility situated within the QEII Medical Campus, and the primary manager of the Centre for Neurological Support, providing affordable offices and meeting rooms for 12 neurological not-for-profit organisations.

The Neurological Council is a member of the WA Neurosciences Health Network Executive Advisory Group and works in collaboration with clinicians, health, research, policy, disability, justice and aged care professionals to champion brain health and increase patient, carer and community awareness, understanding and management of neurological conditions.

The Neurological Council convenes quarterly Community Neurological Leaders Forums, inviting CEOs from all neurological not-for-profits, with aim to collectively improve neurological services and resourcing, and drive and implement key objectives of the World Health Organisation's Intersectoral Global Action Plan on Epilepsy and Other Neurological Disorders 2022–2031 (IGAP).

The Neurological Council is governed by a professional board of directors with clinical, financial, legal and business expertise, as well as carer and member representatives. For more information, visit our website [ncwa.com.au](http://ncwa.com.au)

- Three minute ‘fast talk’ address to delegates, speakers and fellow sponsors and exhibitors
- Feature one minute video advertisement aired between sessions on plenary screen & online
- Logo on PowerPoint holding slides between sessions on plenary screen and online
- Sponsor supplied banner placed in main plenary, refreshments, or registration area
- One third of a page advertisement in the A4 Program provided to all delegates, invited speakers and fellow exhibitors and sponsors, and published online
- Logo on the conference website including a hyperlink to sponsor’s website
- Logo acknowledgement of sponsorship included in pre-event communications and electronic direct mail campaigns with click through to sponsors webpage
- Two acknowledgments/posts on social media platforms
- Choice of a relevant pre or post email to delegates

- Acknowledgement in conference media releases
- One (1) conference bag insert
- 1 x trestle table, chair with rear banner at mini expo
- Reporting data available on partnership page visits, downloaded resources, EDMs
- First option to secure same level sponsorship for 2024.

### CNSC 2023 Virtual Conference Sponsor

**\$6,000 – Exclusive**

Complementing our in-person event, we have engaged virtual conference technology hybrid platform specialists, Brightside AudioVisual, to livestream and record all presentations and panel sessions. This enables an inclusive, accessible conference for delegates.

This highly visible and specially tailored sponsorship option is an excellent way to position your brand and feature your services well beyond conference day with delegate access to presentations for up to 12 months after the event.

#### **Sponsorship Benefits:**

## Neurological Council of WA Corporate Community Partners

### Prefer to play the long game with an impact investment in the neurological community?

Talk with us about a tailored multi-year partnership with the **Neurological Council of WA** to support your aligned impact investment or **corporate social responsibility** objectives, the CNSC 2023, and a wide range of other Neurological Council led peak, collective impact and brain health initiatives.

NCWA Corporate Community Partners will receive the same CNSC 2023 benefits as Major Sponsors for each sponsored year, with additional recognition as a Corporate Community Partner if this option is exercised.

Beyond the conference, your investment and engagement could support:

- Achieving a Neurological or Brain Health Objective from WHO's Intersectoral Global Action Plan on Epilepsy and Other Neurological Disorders 2022–2031 (IGAP)
- World Brain Day 2023 – Putting a spotlight on Brain Health and Disability promotions
- Quarterly Community Neurological Leaders Forums and their collective impact projects, initiatives, and events
- Centre for Neurological Support capital projects or investment in building a Neurological Health & Wellness Centre
- Comprehensive Brain Health education and prevention campaigns across the lifecycle
- Expansion of Neurocare WA community based neurological nursing and allied health services to provide more community-based services to more people
- Funding neurological outreach clinics to regional and remote WA
- Development of peer and nurse led neurological support groups for patients, carers and families.

## Simply want to help out with a tax-deductible donation?

# Sponsorship Terms & Conditions

## Agreement

The Sponsorship Expression of Interest Form constitutes only an offer by the Sponsor to sponsor the Community Neurological Sector Conference 2023 on these terms and conditions only. All sponsorships are considered on a first-come, first-served basis, dependent on package availability and at the Organiser's discretion. The Organiser reserves the right to accept or refuse such offer at its sole discretion. If the Organiser accepts the Sponsor's offer, the Organiser will provide written confirmation via email, and this will create a legally binding contract between the Sponsor and the Organiser on these terms and conditions only to the exclusion of all others (this 'Agreement').

## Payment

On providing such written confirmation to the Sponsor, the Organiser will issue its invoice to the Sponsor in respect of the Sponsorship fee. The Sponsor shall make full and final payment to the Organiser no later than 7 days following receipt of the invoice. All sponsorship must be fully paid prior to accessing benefits unless otherwise negotiated at time of acceptance. The Sponsorship Fee is exclusive of GST. Payments should be made by EFT as detailed on the invoice issued by the Organiser.

## Terms

This Agreement commences on the date of the Organiser's written confirmation of the booking and shall terminate at the end of the Community Neurological Sector Conference 2023.

## Cancellation Clause

If the conference is cancelled by the Organiser (other than as a result of events beyond the reasonable control of the Organiser), the Organiser shall refund the fee paid by the Sponsor.

## The Organiser's Obligations

The Organiser will:

- Organise the Community Neurological Sector Conference 2023 to a high standard and to the best of its ability.
- Ensure the Sponsor benefits from all elements of the confirmed Sponsorship Package.
- Not do or knowingly permit to be done anything which is prejudicial to the good image of the Sponsor.

## Sponsor's Obligations

- The Sponsor (including its officers, employees, contractors and agents) and the Sponsor's mini-expo stand must comply in all respects with all applicable laws, regulations, and rules and conditions of the Venue relevant to it, and with any relevant trade codes of practice.
- All artwork, merchandise and other requirements must be delivered prior to delivery deadlines. Failure to do so will result in forfeiture of the sponsored benefit.

## Mini-Expo Set-Up and Breakdown

Exhibitors will have access to set-up their stand on the following times:

- Thursday 20 July: 15.00 - 18.00
- Friday 21 July: 07.00-08.00

The only activities permissible on the day of the conference are displaying brochures or the set-up of any valuable equipment, which for security reasons you do not want to leave unattended overnight.

Tables must not be broken down before 4.30pm on the day of the conference. All items and rubbish must be removed by 6pm Friday 21 July 2023. Please note, the above times may be subject to change.

## Exhibitors' Responsibilities

All exhibiting organisations are responsible for their stand. Due consideration must be given to the safety of the stand throughout the event and that any actions or inactions do not give rise to accidents, injuries or an unsafe working environment so far as is reasonably practicable.

The Organiser reserves the right to restrict exhibit area activity noise, operation, or materials that, in the Organiser's opinion could cause disruption or offence to other Exhibitors and/or event delegates, or unduly interfere with the delivery of the event itself.

## Insurance and liability

While every precaution is taken to protect your property during the event, the Organiser is not responsible for any loss or damage and we strongly recommend that you take out appropriate insurance cover.

Sponsors must insure, indemnify and hold the Organiser harmless in respect of all damages, injuries, costs, claims, demands, expenses and interest for which the Organiser may become liable.
